Residual H1 tasks and outline

Mykel Loren Brinkerhoff

Contents

1 Todo

1. Generate .bib file for the paper

   - You might need to modify it as you are writing but better to get a start on it.

2. Generate tables/figures that will appear in the paper

   - After generating the tables and figures provide captions and commentary on what the tables and figures show
   - Organize them in the order that they will appear in the paper

3. Outline the document

4. Write the document

2 Outline
